Workway Nursing Announces Acquisition of Outsource Medical Inc

BURBANK, Calif.--([BUSINESS WIRE](#))--Workway Nursing announced that it has acquired Outsource Medical Inc, an El Segundo, California based staffing company specializing in nurse and allied staffing, effective February 3, 2009. Terms of the deal were not announced.

Outsource Medical provides professional and clinical staffing to the healthcare industry, and its clients include several hospitals in the Southern California area.

"For Workway Nursing, this strategic acquisition solidifies our presence in Southern California as well as provides us national contracts we can leverage to gain more business for our Workway Nursing offices outside of the region," said Workway Nursing CEO Matt Johnston.

"We recognized Outsource Medical as a go-to resource for allied health staffing needs in Southern California, something we feel will compliment our existing Workway Nursing service offerings," Johnston said. "Furthermore, we are excited as this is our first of several strategic acquisitions planned for 2009."

Aaron Kasdorf will continue with Outsource Medical as the Director of Operations.

Outsource Medical is a Joint Commission certified company specializing in the placement of allied and nursing personnel within hospitals, medical clinics and medical offices in southern California.

Workway Nursing is a Joint Commission certified company that specializes in placing nursing and other skilled healthcare positions in hospitals and long-term care facilities across the United States.
